

CHUNK BIKE POLO

Photography by willmelling@blueyonder.co.uk

Hardcourt bike polo has been evolving since 1891. In 2007 a group of friends brought the game over from the parking lots and basketball courts of New York to London's Brick Lane.

The bike polo scene is growing rapidly throughout Europe and Chunk is actively supporting from the sidelines sponsoring teams across Europe including Paris' Apologies Accepted and London's BRBPC.
